

## Multimedia Design

We provide the highest quality design and support services possible for our clients. Our specialties include assisting individuals and companies in determining their strategic objectives for the Internet and carefully crafting each website to fit with their unique identities and goals. We specialize in quality website designs, logo design and branding, and video/audio website integration.

### Advantages of multimedia design

- Innovation and creativity in world-class level
- Personalized design
- A team of experts in graphic design

### We offer:

- 2D and 3D graphics design
- Flash and ActionScript design/programming
- Sound and video editing
- Traditional contents conversion to multimedia contents
